

The Van Nuys Branch Library and the Van Nuys Neighborhood Council are co-hosting a series of three Community Conversations in January.

Each conversation is a chance for us to better understand people's aspirations for Van Nuys, the concerns they have, and what they believe might make a difference in strengthening Van Nuys. We'll take what we learn from these conversations and use it to help make our work in the community more effective.

Coffee and snacks will be provided at every conversation. Please RSVP and join us.

Libraries Transforming Communities, an initiative of the American Library Association, is made possible through a grant from the Bill & Melinda Gates Foundation. For ADA accommodations, call (213) 228-7430 at least 72 hours prior to event.
