Van Nuys Neighborhood Council is hosting a planning summit focusing on Land-Use, Planning, Preservation, Mobility, Sustainability, Design and Development for the Van Nuys area.

Reimagining Van Nuys

Moving Toward a Sustainable Environment

Thursday, March 26 at 6:00 pm at 6262 Van Nuys Blvd. Conference Room 2B

The purpose of The First Van Nuys Planning Summit is to focus on Land Use, Planning, Mobility and Design issues for Van Nuys and surrounding areas. The goal is to move forward into a sustainable environment with active community participation and a responsive local government.

Los Angeles, and the district of Van Nuys will work together on joint initiatives already placed by L.A. Mayor Eric Garcetti and other government agencies. These include:

- Great Streets Initiative
- Plan for a Healthy L.A.
- People St.
- East San Fernando Valley Transit Corridor
- Recode L.A.
- Mobility Plan 2035
- LA/2B.
- Survey L.A.
- Bicycle Plan
- Green L.A.

There will be a wide variety of speakers to present at the summit with Mayor Garcetti's planning initiatives: historians, community outreach organizations, and a variety of experts in city planning, sustainable landscaping, preservation, mobility and development.

We will also host an interactive community planning workshop called Place It! prior to the summit at 3:30 pm. If you would like to participate or have questions, please contact VNNC at: info@vnnnc.org , call (818) 533-8662 (VNNC) or go to vnnnc.org
