Re: 6100 Sepulveda Blvd – Van Nuys, Ca.

Subj: Tree Survey 1-8-15

Mr. Orosco,

On January 8<sup>th</sup>, 2015, I performed a site review to document the existing trees at the above address within the provided limits of the project. All of the trees appear to have been recently pruned. A key map indicating where the trees are located as well as pictures of the trees are contained within this report. Please contact me with any questions or comments.

Thank You,

Charles Foley, Vice President  
Landscape Architect #5567, ASLA
