**“YOU ARE NOT ALONE”**

### Our Purpose

The purpose of this program is to work through our growing network of Immigrant Welcoming congregations to be an extension of God's welcoming, healing embrace to the thousands of unaccompanied refugee children (and their families) who have made the perilous journey from Central America to seek refuge among us.

### Our Services

- Information and referral center for connecting to medical, dental, and counseling services.
- Legal assistance.
- Healing circles, spiritual support and support groups for children and families.
- Emergency supplies available for the children and families such as: food, toiletries, health kits, blankets, school supplies, phone cards, toys and children's books.
- Family Fun Gatherings: meals, music and piñatas.
- Computers available to re-connect families through Skype.
- Financial assistance for dental, medical and optometric care.

If you know a child  
or sponsoring family that  
can benefit from our  
services, please encourage  
them to contact us at:
