Re: So Cal Collision Center/14306 Oxnard St. Van Nuys, CA 91401

Dear Ms. King,

On August 9, 2017, The Planning and Land Use Committee of the Van Nuys Neighborhood Council, voted in support of a conditional use permit allowing continued maintenance and operation of an automotive repair shop with a spray paint booth operated by So Cal Collision Center 14306 Oxnard St, Van Nuys, CA 91401.

Presented by Antonio Peurtas, Geographic Information System Analyst at Leon Mapping GIS Services, the proposed spray paint booth has been a long standing request from So Cal Collision Center which has sought to get official permission from our body for many months.

The Van Nuys Neighborhood Council encourages LA City Planning to quickly expedite and approve Case# ZA-2016-3146.

Thank you for your attention.
