Renewal failure notice

Mistakes happen. Credit cards expire. That's why we're contacting you. [Select View All Renewals now](#) and update your payment information.

While you're there, make sure all your products are set to auto-renew. It's the best, easiest and free way to avoid a lapse in service or cancellation.

If you no longer want to keep the item(s) listed below, you don't need to take any action at this time. Remember, cancelled domain names may be released for anyone to register. All related data – website files, emails, databases, etc. – will be removed from our servers.

NOTE: Our free product credit policy has been updated – see Section 8 of our [Universal Terms of Service](#) for more details. Active free products created in association with free credits from this domain registration will expire 1 year from the renewal of the domain name if they have been activated. Credits that have not been activated will expire and be removed at the time the domain renews. In the event that the Credit is redeemed, after the initial free one year period, the free product will automatically renew at the then-current renewal price until cancelled. If you do not wish to renew, you can cancel this product by visiting the [Renewals and Billing page](#) in your GoDaddy account.
