The purpose of this request is to seek grant funding to facilitate the distribution of COVID-19 resources to the Van Nuys community. With the funding, NCADD-SFV intends to provide accessibility to necessary tools during this global pandemic while also presenting informational resources to bring awareness on the importance of positive coping mechanisms rather than utilizing drugs and alcohol.

5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)
By providing funds for this grant, NCADD-SFV will be capable of providing a resource supply bag which will include items recommended for staying safe during this time of uncertainty. This is beneficial to the community given that many families have lost their mean of income due to job furloughs and layoffs therefore are unable to obtain the items. Additionally, NCADD-SFV will be including bilingual resources on how to stay drug-free during a pandemic, a guide for parents on how to speak to their children regarding substances, and informational cards.
