Sepulveda Transit Corridor Project
One Gateway Plaza
Mail Stop 99-22-6
Los Angeles, CA 90012

**RE: Van Nuys Neighborhood Council Recommendation – Sepulveda
Transit Corridor Project Environmental Study**

Dear Mr. Carter:

I write to inform you of the recommended action of the Van Nuys Neighborhood Council (VNNC), adopted at its regular meeting on Wednesday, February 9, 2022, regarding the LA Metro Sepulveda Transit Corridor Project.

The VNNC recommends, first, opposition to any proposal to implement that would place any part of the transit project above ground. Second, the VNNC supports Alternative 6 under consideration, providing for heavy rail entirely underground to run along Van Nuys Boulevard from the Northern Terminus at the Van Nuys Metrolink station to the Southern Terminus at the E Line Expo/Bundy station, **with amendment to add one additional stop at either Victory Boulevard or Burbank Boulevard.**

The Council wishes to express appreciation to LA Metro for presenting as part of its outreach on the project to the VNNC Planning and Land-Use Committee on January 27, 2022, all of the alternatives under its consideration. Should you have any questions or wish to further discuss, please feel free to contact VNNC Board Member Jeffrey Dunn at Jeffrey.dunn@vnnc.org.

Thank you for your consideration.

Sincerely,

Kathy Schreiner
Vice President, Van Nuys Neighborhood Council
